ARNSTEIN JOHANSEN

Født 1925 i Fredrikstad. Arnstein Johansen trenger kanskje ingen presentasjon - kjent som han er for de fleste fra før. Han debuterte i NRK allerede i 1946, og ble fort kjent for sine program både som solist og orkestermusiker. Arnstein har opptrått i en rekke land. Foruten Norden har han bl.a. besøkt USA og Sovjet.

Som komponist er han kjent for en rekke plateinnspillinger gjennom årene. Hans komposisjoner er vel gjennomarbeidet noe som kjenne - tegner hans spill forøvrig.

Arnstein har deltatt som dommer de fleste steder. Både ved Distriktsuttakninger, Landsfestivaler og Nordiske, Europeiske og Verdensmesterskap.
